

RECEIPT VALIDATION

STEP 1 CONSUMER PURCHASE

Consumer purchases specific dollar amount of brand products at participating retailers.

STEP 2 RECEIPT CAPTURE

Consumer uses mobile phone or digital camera to take a picture of the store receipt. Long receipts can be scanned via custom application or captured with a mobile video camera.

STEP 3 IMAGE DELIVERY

Consumer sends image using MMS text or e-mail via mobile device or home computer to vanity email address.

STEP 4 RECEIPT VALIDATION

Unique Receipt Validation technology verifies the uploaded receipt for brand purchases and dollar spend threshold.

STEP 5 REWARD

Consumer instantly receives a unique reward code to obtain their prize (Note: Video conversion for long receipts may add a few minutes).
